The Director,
Liberi Foundation

Dear Madam,

**REF: HEARTFELT APPRECIATION TO THE LIBERI FOUNDATION AND WILDE GANZEN FOR THE
NEW SIAMATIKA CLINIC BUILDING AND SUCCESSFUL HANDOVER CEREMONY**

Reference is made to the above subject matter.

I am writing on behalf of the Ministry of Health and indeed the entire Siavonga community to extend our deepest and most heartfelt appreciation to you, the Liberi Foundation, and also to Wilde Ganzen, for your unwavering commitment to our well-being and for the extraordinary success of the recent Siamatika Clinic building project and its official handover ceremony.

The inauguration of the Siamatika Clinic marks a significant milestone in our community's journey toward improved healthcare access. Your dedication and generous support have made this dream a reality. We are overjoyed to have had the privilege of witnessing the transformation of an idea into a fully functional healthcare facility that will serve our community for years to come.

The handover ceremony was a momentous event that brought together community members, local officials, and key stakeholders to celebrate this achievement. The speeches, the ribbon-cutting, and the joyous atmosphere were a testament to the spirit of collaboration and the positive impact of your work in Siavonga.

We are truly grateful for the positive change you have brought to our community. We look forward to a continued partnership with you in making further strides in improving the quality of life in Siavonga.

Once again, thank you for your outstanding contribution and the successful realization of the Siamatika Clinic project. Your efforts have left an indelible mark on our hearts and in our community.

Warmest Regards

Dr. Adidja Sumbwe
